

XI International Conference on New Frontiers in Physics

Tuesday, 30 August 2022

Lectures - Room 1 (15:00 - 16:30)

time	[id] title	presenter
15:00	[181] Could Einstein Have Been Right After All?	BRASSARD, Gilles
15:45	[31] A Borexino breakthrough: first identification of fusion reactions that power the Sun and the stars	Prof. BELLINI, Gianpaolo

Lectures - Room 1 (17:00 - 18:30)

time	[id] title	presenter
17:00	[110] Linking, number partitioning, and entanglement	CARMI, Avishy
17:45	[228] Unexpected Planetary relationships of unexpected observations as the new signature in astro-particle physics	ZIOUTAS, Konstantin
