

**10th ICFA Seminar on Future Perspectives in High-Energy Physics 2011**  
**Science driving facilities for particle physics**

Contribution ID: 27

Type: **not specified**

## **Current Neutrino Mixing Experiments**

*Wednesday, 5 October 2011 11:00 (20 minutes)*

**Presenter:** SINCLAIR, David (Carleton, Americas)

**Session Classification:** Neutrinos and CP Violation in Leptonic Sector
