

10th ICFA Seminar on Future Perspectives in High-Energy Physics 2011
Science Driving facilities for particle physics

Contribution ID: 21

Type: **not specified**

Strongly Coupled Plasma: Properties and Critical Point Search

Tuesday 4 October 2011 16:00 (25 minutes)

Presenter: JACAK, Barbara (Stony Brook, Americas)

Session Classification: Heavy-ions and Quark-Gluon Plasma
