

10th ICFA Seminar on Future Perspectives in High-Energy Physics 2011
Science driving facilities for particle physics

Contribution ID: 16

Type: **not specified**

High Precision Electroweak Measurements of Electrons and Muons

Tuesday, 4 October 2011 12:00 (20 minutes)

Presenter: KUMAR, Krishna (Massachusetts, Americas)

Session Classification: Tests of Fundamental Symmetries (Low Energies)
