

## **Session Program**

**29 November 2010 to 3 December 2010**

# **Zimányi 2010 Winter School on Heavy Ion Physics**

## ***Dileptons at SIS / Diffraction at LHC***

MTA KFKI RMKI, Building III, 2nd floor, Tanácsterem  
H-1121 Budapest XII, Konkoly-Thege M. u 29-33 Hungary

# Wednesday 1 December

11:00

## Dileptons at SIS / Diffraction at LHC

Session | Location: 2nd Elevated floor, Building III, KFKI RMKI, Tanácsterem

11:00-11:30 **Dilepton production at relativistic energies**

**Speaker**

Prof. György Wolf

11:30-11:55 **Status of the TOTEM Experiment at LHC**

**Speaker**

Dr Janos Sziklai

11:55-12:20 **Analysis of diffractive pion-proton scattering data (webinar)**

**Speaker**

Mr Frigyes Nemes

12:20
