

Session Program

29 November 2010 to 3 December 2010

Zimányi 2010 Winter School on Heavy Ion Physics

FAIR, CBM and EoS

MTA KFKI RMKI, Building III, 2nd floor, Tanácsterem
H-1121 Budapest XII, Konkoly-Thege M. u 29-33 Hungary

Wednesday 1 December

14:00

FAIR, CBM and EoS

Session | Location: MTA KFKI RMKI, Building III, 2nd elevated floor, Tanácsterem

14:00-14:45

Propects for heavy-ion physics with the CBM experiment

Speaker

Prof. Volker Friese

14:45-15:15

Constraining the symmetry energy of the EoS in relativistic heavy ion reactions

Speaker

Prof. Attila Krasznahorkay

15:15
