

Session Program

29 November 2010 to 3 December 2010

Zimányi 2010 Winter School on Heavy Ion Physics

QCD: Recent results from the lattice and from RHIC

MTA KFKI RMKI, Building III, 2nd floor, Tanácsterem
H-1121 Budapest XII, Konkoly-Thege M. u 29-33 Hungary

Thursday 2 December

14:00

QCD: Recent results from the lattice and from RHIC

Session | Location: ELTE University, Ortway Room | Convener: Prof. Jenő Kürti

14:00–14:30 Recent results on the QCD Phase Diagram

Speaker

Prof. Sándor Katz

Location

ELTE University, Ortway Room

14:30–14:45 Elementary particles on your own

Speaker

Prof. Tamás Csörgő

Location

ELTE University, Ortway Room

14:45–15:00 Ortway tea break

15:00–15:50 First Results from the RHIC Beam Energy Scan Program

Speaker

Dr Jefferey Mitchell

Location

ELTE University, Ortway Room

15:50
