

HSF frameworks WG meeting

Kyle J. Knoepfel (for the conveners)

4 May 2022

Some news

To avoid clashes with the PyHEP working group, future frameworks WG meetings will be **the last Wednesday** of each month.

Next meeting on 25 May:

NOvA and its Framework Usage

Gavin Davies (University of Mississippi)

<https://indico.cern.ch/event/1138383/>

Some news

To avoid clashes with the PyHEP working group, future frameworks WG meetings will be **the last Wednesday** of each month.

Next meeting on 25 May:

NOvA and its Framework Usage

Gavin Davies (University of Mississippi)
