

Day with particle and astroparticle research infrastructures

Monday, 17 October 2022 - Monday, 17 October 2022

FZU

Scientific Programme

Meeting will cover activities of particle and astroparticle research infrastructures in the CR

AUGER-CZ, BNL-CZ, CERN-CZ, CTA-CZ, FAIR-CZ, FERMILAB_CZ, LSM-CZ, VdG

Preliminary agenda

09:00-12:10 *Introduction of particle and astroparticle research infrastructures (RI) in the CR*

A block of talks introducing RIs for general audience by invited speakers

12:10-15:50 *Our activities in particle and astroparticle RI*

A block of talks documenting activities of our teams within the RIs. Targeted mostly towards particle and astroparticle community.

15:50-16:50 *Discussion session*

Discussion session concerning common problems and synergies between RIs (future funding, computing, detector R&D, and outreach)

18:00-21:00 Dinner
