

ISS 2022 PRAGUE

Indian-Summer School 2022 Workshop on Heavy Ion Physics for Young Researchers

June 24–26, 2022

Prague, Czech Republic

Conference Topic

- Experiments and phenomenology of hadron interactions in heavy-ion collisions

Lectures

Laura Fabbietti: **Hadron - hadron interactions at LHC**

Isaac Vidana: **Role of strange particles in neutron stars**

Daniel Tapa Takaki: **Ultrapерipheral collisions & EIC**

Raghav K. Elayavalli: **Hardprobes production & machine learning**

Local Organizing Committee

Jaroslav Bielčik

Boris Tomášik

Jana Bielčíková

Barbara A. Trzeciak

Jaroslava Óbertová

Daniel Gazda

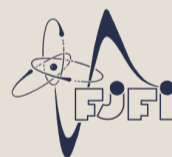

Miroslav Myska

Jan Cepila

Hosts

Nuclear Physics Institute
Czech Academy of Sciences

Faculty of Nuclear Sciences and Physical Engineering
Czech Technical University in Prague
