

# **2022 PIRE GEMADARC Summer School and Collaboration Meeting**

**Saturday, 18 June 2022 - Wednesday, 29 June 2022**

## **Scientific Programme**

## **Summer School**

**HPGe detectors and readout electronics**

**Neutrino physics**

**Statistics in rare event searches**

**Machine learning**

**Analyzing HPGe detector data**

**Dark matter physics**

## **Collaboration Meeting**
