Leverage the Network for career opportunities.

JOIN NOW!

The CERN Alumni Network provides those who have left the Laboratory with a means of keeping in touch with and with each other. It fosters ambassadorship for the mission and values of CERN and the scientific collaboration supports its members with their future career development.

Whether you have worked at CERN or work at CERN today, as a user, student, associate, fellow or staff, REGISTER NOW and join an ever growing, dynamic community united by a shared pride in having contributed to CERN's endeavours.
