

# Task 12.5: Particle Flow Reconstruction

John Back

on behalf of the Pandora Team & WP12.5

21<sup>st</sup> June 2022

# Particle Flow Algorithms (PFA) Hackathon

- John Marshall and I can't be there in person, but we will host zoom chat
- 1.5 hour zoom session: **Wed. 22 June, 10.30 am – 12.00** (CERN time)
  - <https://cern.zoom.us/j/67845865084> (linked on indico agenda)
  - CERN meeting room **4/S-020**
- **Pandora** software framework: <https://github.com/PandoraPFA>
- **Discussion** about using Pandora Software Development Kit (SDK)
  - **Start with brief attendee roundtable:** how well is their Pandora work going?
  - What help & advice do they need to progress further?
- Specific topics:
  - Applying **calibration** to **Particle Flow Objects**
  - Input/output using **Key4hep**
  - ...
