

## GRADE Programme

*Wednesday 15 February 2023 11:25 (15 minutes)*

Learn more about GRADE (Generic pre-R&D at IdeaSquare), a CERN research programme approved by the CERN Research Board in December 2015. Examples of projects completed under GRADE includes: Silicon photo multipliers for generic detector, the TT-PET (Thin time-of-flight PET, the Generic R&D), and HEALTH (Detectors for health and safety).

**Presenter:** NORDBERG, Markus (CERN)
