

# ATTRACT Programme, upcoming opportunities

*Wednesday 15 February 2023 11:40 (30 minutes)*

This session will offer an introduction to ATTRACT, which will include a description of this EU-funded programme, what is there for CERN to profit from, and what is the role of IdeaSquare. We will also present an overview of the results achieved until now, what they mean in terms of CERN impact, and a quick overview of future developments.

**Presenter:** GARCIA TELLO, Pablo (CERN)
