

Part 2 - Hands-on prototyping session (Bring your ideas!)

Wednesday 15 February 2023 09:45 (45 minutes)

Are you ready to start prototyping? Come with or without ideas. During this hands-on session you will start building your own prototypes. You will be given a challenge and through teamwork, rapid prototyping and design thinking methods we will guide and hopefully inspire you!

No materials are needed, just the willingness to get your hands dirty.

Presenters: LONGVA ZIMMERMANN, Dina; WERNER, Ole
