

Capture Your Innovation Process

Thursday 16 February 2023 10:10 (20 minutes)

Join us at the IdeaSquare Open Doors for a thought-provoking talk by Oday Darwich on the significance of documentation in innovation and research. Discover the power of documentation in driving collaboration and problem-solving, and learn how AI is enhancing the process to maximise its impact. Learn about [SDG.InnProgress.ch](https://sdg.innprogress.ch), a user-friendly documentation solution that makes documenting the creation process easier and more engaging. Let's unlock the full potential of our collective knowledge for a brighter future.

Presenter: DARWICH, Oday
