

7th International Workshop on Critical Point and Onset of Deconfinement  
(CPOD)

Contribution ID: 144

Type: **not specified**

**The QGP shear viscosity at RHIC and LHC energies:  
New results from a viscous hydrodynamics + hadron  
cascade hybrid approach**

*Thursday, 10 November 2011 14:00 (15 minutes)*

**Presenter:** SONG, Huichao (LBNL)

**Session Classification:** Parallel Session 1
