

# IJCLab Wifi Instructions

Eduroam is available in the plenary and parallel session rooms.

Alternatively,

- Connect to network 'IJCLab-Public': if needed, try to open a browser, it should open an IJCLab registration page
- Click on 'Register' (e-mail icon)
- Complete the Last and First name fields, and a valid email address
- The login username and password needed to connect to the IJCLab-Public network, valid for the **whole** week, are sent to the email address provided
