## Heavy quarks and quarkonia in small systems

*Monday 28 November 2022 16:00 (15 minutes)*

Recent results on heavy quarks and quarkonia in small systems at the LHC will be reviewed. Comparison with model calculations will be shown when possible.

### Declaration

I certify that I have checked that I am authorised to submit the abstract with the listed co-authors with their current affiliations

### Change of Speaker

I understand that change of speaker is allowed provided that no participant gives more than one talk. Otherwise, we will ask the speaker to choose between one or the other abstract to be presented.
