## Top and EW physics theory

*Monday 28 November 2022 11:55 (30 minutes)*

I will review a selection of recent results in the context of EW and top-quark physics and I will discuss possible future developments.

### Declaration

I certify that I have checked that I am authorised to submit the abstract with the listed co-authors with their current affiliations

### Change of Speaker

I understand that change of speaker is allowed provided that no participant gives more than one talk. Otherwise, we will ask the speaker to choose between one or the other abstract to be presented.
