Joint TH EXP on quarkonia at the LHC

Wednesday 30 November 2022 09:00 (30 minutes)

The review of the present status and recent developments in the theory of heavy quarkonium production in proton-proton and lepton-proton collisions will be given.

Declaration

I certify that I have checked that I am authorised to submit the abstract with the listed co-authors with their current affiliations

Change of Speaker

I understand that change of speaker is allowed provided that no participant gives more than one talk. Otherwise, we will ask the speaker to choose between one or the other abstract to be presented.
