28 November 2022 to 2 December 2022
IJCLab Orsay, France

Contribution ID: 186

Type: **not specified**

Jet physics experiment

Friday 2 December 2022 14:35 (30 minutes)

This talk will cover recent measurements of jets and their substructure by ALICE, ATLAS, CMS, and LHCb.

Declaration

I certify that I have checked that I am authorised to submit the abstract with the listed co-authors with their current affiliations

Change of Speaker

I understand that change of speaker is allowed provided that no participant gives more than one talk. Otherwise, we will ask the speaker to choose between one or the other abstract to be presented.
