## Higgs Physics Experiment

*Thursday 1 December 2022 10:45 (30 minutes)*

Ten years after the Higgs boson discovery, this talk presents a summary of the measurement of the particle's properties, in the journey to disclose its nature.

### Declaration

I certify that I have checked that I am authorised to submit the abstract with the listed co-authors with their current affiliations

### Change of Speaker

I understand that change of speaker is allowed provided that no participant gives more than one talk. Otherwise, we will ask the speaker to choose between one or the other abstract to be presented.

**Author:** CAPPATI, Alessandra (Centre National de la Recherche Scientifique (FR))

**Presenter:** CAPPATI, Alessandra (Centre National de la Recherche Scientifique (FR))

**Session Classification:** Plenary

**Track Classification:** WG3: Top, Higgs and EW Physics
