

QCD@LHC2022

Tuesday, 29 November 2022

Parallel B - WG3: 1 - Auditorium Joliot Curie (14:00 - 15:30)

time	[id] title	presenter
14:00	[76] W production and hadron colliders: the relevance of EW interactions in the resummation formalism	Dr AUTIERI, Andrea
14:20	[138] Higgs pT measurements in ATLAS and CMS	SHARMA, Ram Krishna
14:40	[71] Towards NNLO QCD corrections for the production of a heavy-quark pair in association with a massive boson	SAVOINI, Chiara
15:00	[84] Soft gluon resummation for the production of four top quarks at the LHC	MORENO VALERO, Laura
