Restaurant Supervisory Committee (CSR)  
(Resume from September 11th meeting)

Role:
- Advisory body to SCC (=Standing Concertation Committee, for the formal relations between CERN Management and CERN Staff Association)
- Oversees all matters regarding to restaurants and cafeterias on CERN sites
Restaurant Supervisory Committee (CSR)

• Restaurant #1: The menus are not yet available through the Web!
  • However the glass showcase for different menus has been re-installed!
• Promise to make an special effort for dinners! (past meeting):
  • Effort done: increased personnel in the afternoons
Full change of on-site vending machines already negotiated (Selecta => Novae)
- Change will be done on December 4th.
- Coffee prices will increase in the machines +10 cents and –10 cents in the cafeterias.
- People should spend their coffee “keys” belonging to the old machines.

One suggestion received from users:
- Install a food machine in main building to be used by people arriving at CERN at (very) late hours.
  - Novae will install it.
