

Vertex 2006 15th International Workshop on Vertex Detectors

Monday, September 25, 2006

Future Detectors and experience in construction & integration (4:30 PM - 6:30 PM)

time	[id] title	presenter
4:30 PM	[12] ALICE Silicon Drift detector overview and status of construction	BEOLE, Stefania
5:00 PM	[13] CMS Silicon Tracker experience in integration and commissioning	D'ALESSANDRO, Raffaello
5:30 PM	[14] ATLAS Silicon Tracker experience in integration and commissioning	CARTER, Janet
6:00 PM	[15] LHCb Vertex Detector	BOWCOCK, Themis
