

Vertex 2006 15th International Workshop on Vertex Detectors

Monday 25 September 2006

Future Detectors and experience in construction & integration (16:30 - 18:30)

time	[id] title	presenter
16:30	[12] ALICE Silicon Drift detector overview and status of construction	BEOLE, Stefania
17:00	[13] CMS Silicon Tracker experience in integration and commissioning	D'ALESSANDRO, Raffaello
17:30	[14] ATLAS Silicon Tracker experience in integration and commissioning	CARTER, Janet
18:00	[15] LHCb Vertex Detector	BOWCOCK, Themis
