

Welcome to
Excited QCD 2022

This is the 13th edition of Excited QCD

It started in Zakopane (Poland) in 2009, then held in Slovakia, Bosnia, Portugal, Serbia, Austria, France

- This is an informal conference: we spend a lot of time on questions, discussions and mutual contacts
- Topic is broad, everyone comes and learns something new
- Most participants are students and young postdocs,
- It must be cheap and in a nice place

- Lunch break is 3.5-4 hrs
- You are welcome to have physics discussions AND:
 - Enjoy the rocky beach/swimming pool
 - Visit the archeological area of Giardini Naxos
 - Visit Taormina (1hr 15' walking, 10 minutes by taxi, approx. 12 euros)
 - Visit Taormina beach and Isola Bella (natural reserve)

Excursion on Wednesday
