

Session Program

8-12 Aug 2022

**Particle physics beyond the Standard Model
Students conference**

Introduction and SM

CERN, 4/S-030

Monday 8 August

09:00

Introduction and SM: Welcome, motivation and practical information

Session | **Location:** CERN, 4/S-030

09:45

09:45

Introduction and SM: Review of the SM

Session | **Location:** CERN, 4/S-030

10:40

11:10

Introduction and SM: Review of the SM

Session | **Location:** CERN, 4/S-030 | **Convener:** Elina Fuchs

12:15

Tuesday 9 August

13:00

14:30

Introduction and SM: Shortcomings of the Standard Model II

Session | **Location:** CERN, 4/S-030
