

# **Particle physics beyond the Standard Model Students conference**

## **Thursday, 11 August 2022**

**Experimental searches: Direct searches and precision tests at colliders - 4/S-030 (11:35 - 11:55)**

**Experimental searches: 10 years with the Higgs boson - 4/S-030 (11:55 - 12:15)**

**Experimental searches: Future Colliders - 4/S-030 (12:15 - 12:30)**

# Friday, 12 August 2022

**Experimental searches: Low-energy, high-precision searches for New Physics - 4/S-030 (09:00 - 10:00)**

**Experimental searches: Collider II and summary of models - 4/S-030 (11:00 - 11:30)**
