

**Session Program**

**Aug 8 - 12, 2022**

**Particle physics beyond the Standard Model  
Students conference**

***Experimental searches***

CERN, 4/S-030

## Thu, August 11

11:35 AM

### **Experimental searches: Direct searches and precision tests at colliders**

**Session** | **Location:** CERN, 4/S-030

11:55 AM

11:55 AM

### **Experimental searches: 10 years with the Higgs boson**

**Session** | **Location:** CERN, 4/S-030

12:15 PM

12:15 PM

### **Experimental searches: Future Colliders**

**Session** | **Location:** CERN, 4/S-030

12:30 PM

## Fri, August 12

9:00 AM

### Experimental searches: Low-energy, high-precision searches for New Physics

Session | Location: CERN, 4/S-030

10:00 AM

11:00 AM

### Experimental searches: Collider II and summary of models

Session | Location: CERN, 4/S-030

11:30 AM
