

## Brief autobiography

**Name:** IMAMURA Tomoka

**Nationality:** Japan

**Affiliation:** University of Tsukuba, Graduate School of Science and Technology, Degree Programme in Pure and Applied Sciences, Master's Programme in Physics

**Degree:** BSc in Physics, Tokyo University of Science, March 2022

**Work at CERN:** I'm working on automation of target baking for the AEgIS experiment. I made a LabVIEW program and proceed to improve it.

**After CERN:** I will go back to University of Tsukuba to finish my master's program and continue to work on LGAD detector development. I plan to apply to universities abroad for my Ph.D.
