

GIREP-EPEC
3-7 July 2023
Košice, Slovakia

GIREP-EPEC conference 2023
Physics learning promoting culture
and addressing societal issues

Contribution ID: 171

Type: **Workshop**

How a simple activity can open a door to serious inquiry: The boat competition

Tuesday 4 July 2023 10:40 (1h 30m)

The workshop is an illustration for my plenary lecture, where the mode of working in professional learning community of in-service teachers in Ljubljana, Slovenia, within the STAMPED project is also described. Here, the participants will carry out one of the activities developed in the project and discuss a plethora of possibilities for inquiry a very simple task offers when considered to more details.

How would you like to present your contribution?

Live in Košice (time slot to be allotted based on the programme)

Target education level (primary)

In-service teacher education

Target education level (secondary, optional)

Author: ČEPIČ, Mojca (University of Ljubljana, Faculty of Education)

Co-author: Dr GOSTINČAR BLAGOTINŠEK, Ana (University of Ljubljana, Faculty of Education)

Presenter: ČEPIČ, Mojca (University of Ljubljana, Faculty of Education)

Session Classification: Workshop Innovative strategies at school

Track Classification: Innovative strategies and pathways to improve physics education at school
