School-University Collaboration and Teachers' Professional Development

Tuesday 27 August 2024 11:30 (1h 30m)

This Workshop (WS) aims at sharing a history of collaborative research between schools and universities developed within the Italian PER community, discussing where we are and identifying future perspectives. The WS outcomes will inform a position paper.

How would you like to present your contribution?

Live in Kraków (time slot to be allotted based on the programme)

Target education level

Secondary

Category

Formal Education
