Type: **Poster presentation**

Efficient evaluation of the non-linear vacuum polarization density in the finite basis Dirac problem

Tuesday, 23 May 2023 19:35 (20 minutes)

abstract provided as attached pdf-file.

Primary author: SALMAN, Maen

Co-author: Prof. SAUE, Trond (CNRS)

Presenter: SALMAN, Maen

Session Classification: Poster Session 2

Track Classification: quantum electrodynamics of bound systems
