

# International Conference on Precision Physics and Fundamental Physical Constants FFK2023

## Tuesday, May 23, 2023

**Tuesday 1: Molecules 1 (9:00 AM - 10:25 AM)**

-Conveners: Wim Ubachs

time	[id] title	presenter
9:00 AM	[83] Cavity-Enhanced Precision Spectroscopy of Molecules	HU, Shuiming
9:45 AM	[12] Fano-like Resonance due to Interference with Distant Transitions	Dr SUN, Yu
10:05 AM	[8] Cavity-enhanced double resonance spectroscopy of HD	LIU, QianHao
