

International Conference on Precision Physics and Fundamental Physical Constants FFK2023

Tuesday, 23 May 2023

Tuesday 1: Molecules 1 (09:00 - 10:25)

-Conveners: Wim Ubachs

| time | [id] title | presenter |
|-------|---|--------------|
| 09:00 | [83] Cavity-Enhanced Precision Spectroscopy of Molecules | HU, Shuiming |
| 09:45 | [12] Fano-like Resonance due to Interference with Distant Transitions | Dr SUN, Yu |
| 10:05 | [8] Cavity-enhanced double resonance spectroscopy of HD | LIU, QianHao |
