

# International Conference on Precision Physics and Fundamental Physical Constants FFK2023

## Wednesday, May 24, 2023

**Wednesday 4: Muonium (4:00 PM - 5:30 PM)**

-Conveners: Michael Eides

time	[id] title	presenter
4:00 PM	[29] Precision Measurement of Muonium Hyperfine Structure at J-PARC	NISHIMURA, Shoichiro
4:35 PM	[81] Recoil and Radiative-Recoil Corrections in Muonium	Prof. ADKINS, Gregory
5:00 PM	[40] LEMING: Towards the measurement of the gravitational acceleration of muonium atoms	ZHANG, Jesse
5:15 PM	[90] Electroweak nuclear radii constrain isospin-breaking corrections to $V_{ud}$	GORSHTEYN, Misha
