

International Conference on Precision Physics and Fundamental Physical Constants FFK2023

Friday, 26 May 2023

Friday 2: Antiprotons (11:00 - 12:50)

-Conveners: Savely Karshenboym

time	[id] title	presenter
11:00	[98] Testing fundamental physics with trapped antihydrogen	FRIESEN, Tim
11:40	[108] Studies of Exotic Physics with Antiprotons and Protons	Prof. ULMER, Stefan
12:20	[27] Laser spectroscopy of antiprotonic helium embedded in liquid and superfluid helium	HORI, Masaki HORI, Masaki
