Poetic and bureaucratic technologies

David Graeber

“But some of us are
looking at the stars...”

Oscar Wilde

NOSTALGIA FOR LOST FUTURES

Mark Fisher

“Hard times are coming, when we’ll be wanting the voices of writers who can see alternatives to how we live now, can see through our fear-stricken society and its obsessive technologies to other ways of being, and even imagine real grounds for hope.

We’ll need writers who can remember freedom – poets, visionaries – realists of a larger reality.”

Ursula K. Le Guin
