

FCC-ee Electroweak Precision Progress Meeting

Ayres Freitas,
Christoph Paus,
Graham Wilson

June 29, 2022

News ...

Our kick-off was May 18, it is six weeks later!

- Good overview by Alain and a good discussion
- Schedule was supposed to be 2 weeks, but we got some summer related delays

FCC Week happened in Paris (June 13-17)

- Good meeting people in person
- Progress was discussed, connections made...
- EW precision needs to start on some and continue on other the key studies

Conferences

ICHEP 2022 (July 6-13)

- CP will give the 12 min talk on FCC-ee EW Precision

SnowMass Community Summer Study (EF04), July 17-26, Seattle, WA, US

- Task: “find a knowledgeable speaker”
- *Please let us know if you can and want to be the speaker*

ICFA Advanced beam dynamics workshop on high luminosity Circular e⁺e⁻ Colliders (eeFACT), Frascati, Italy

- Another speaker needed
