Doodle poll

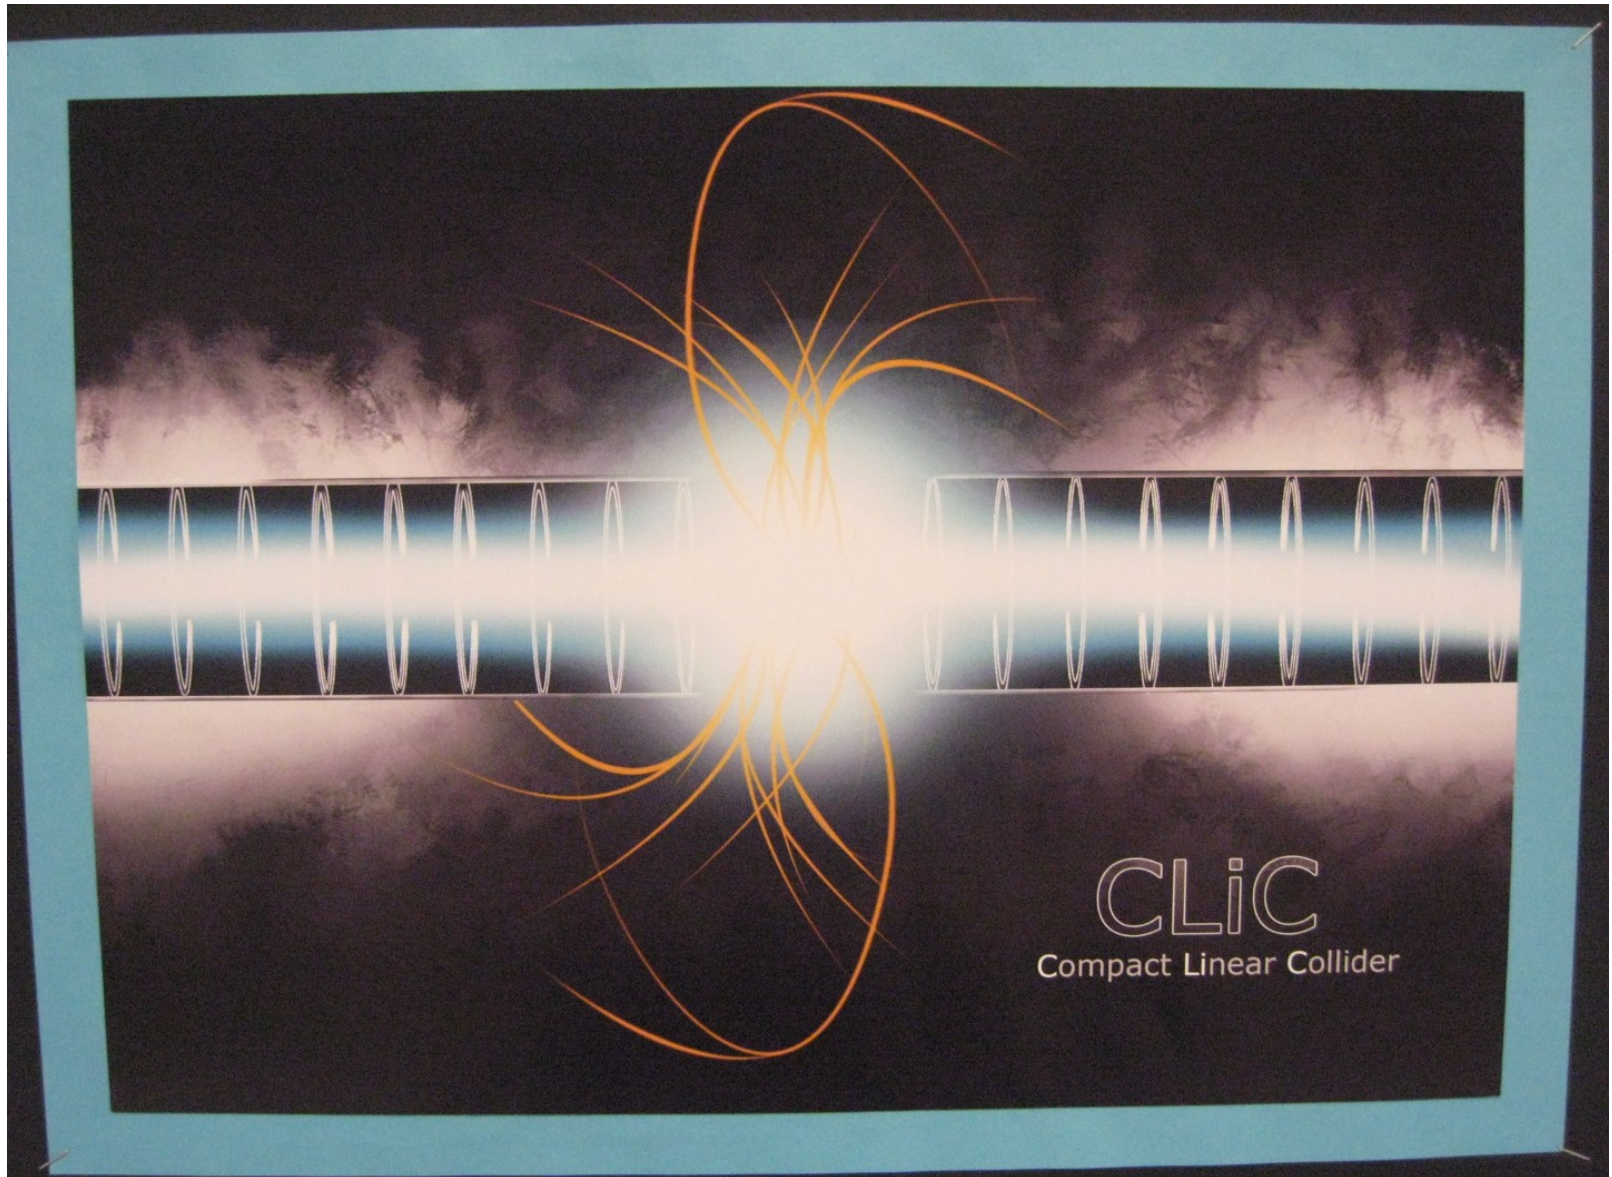

<http://doodle.com/ee8dikcmn2xzhcry>
to determine preferred picture by
“ CLIC detector study “

The pictures represent art-work by student of the Geneva international school.
The artwork was prepared in art classes following an introduction on the CLIC
study by Hermann Schmickler and Mick Draper.

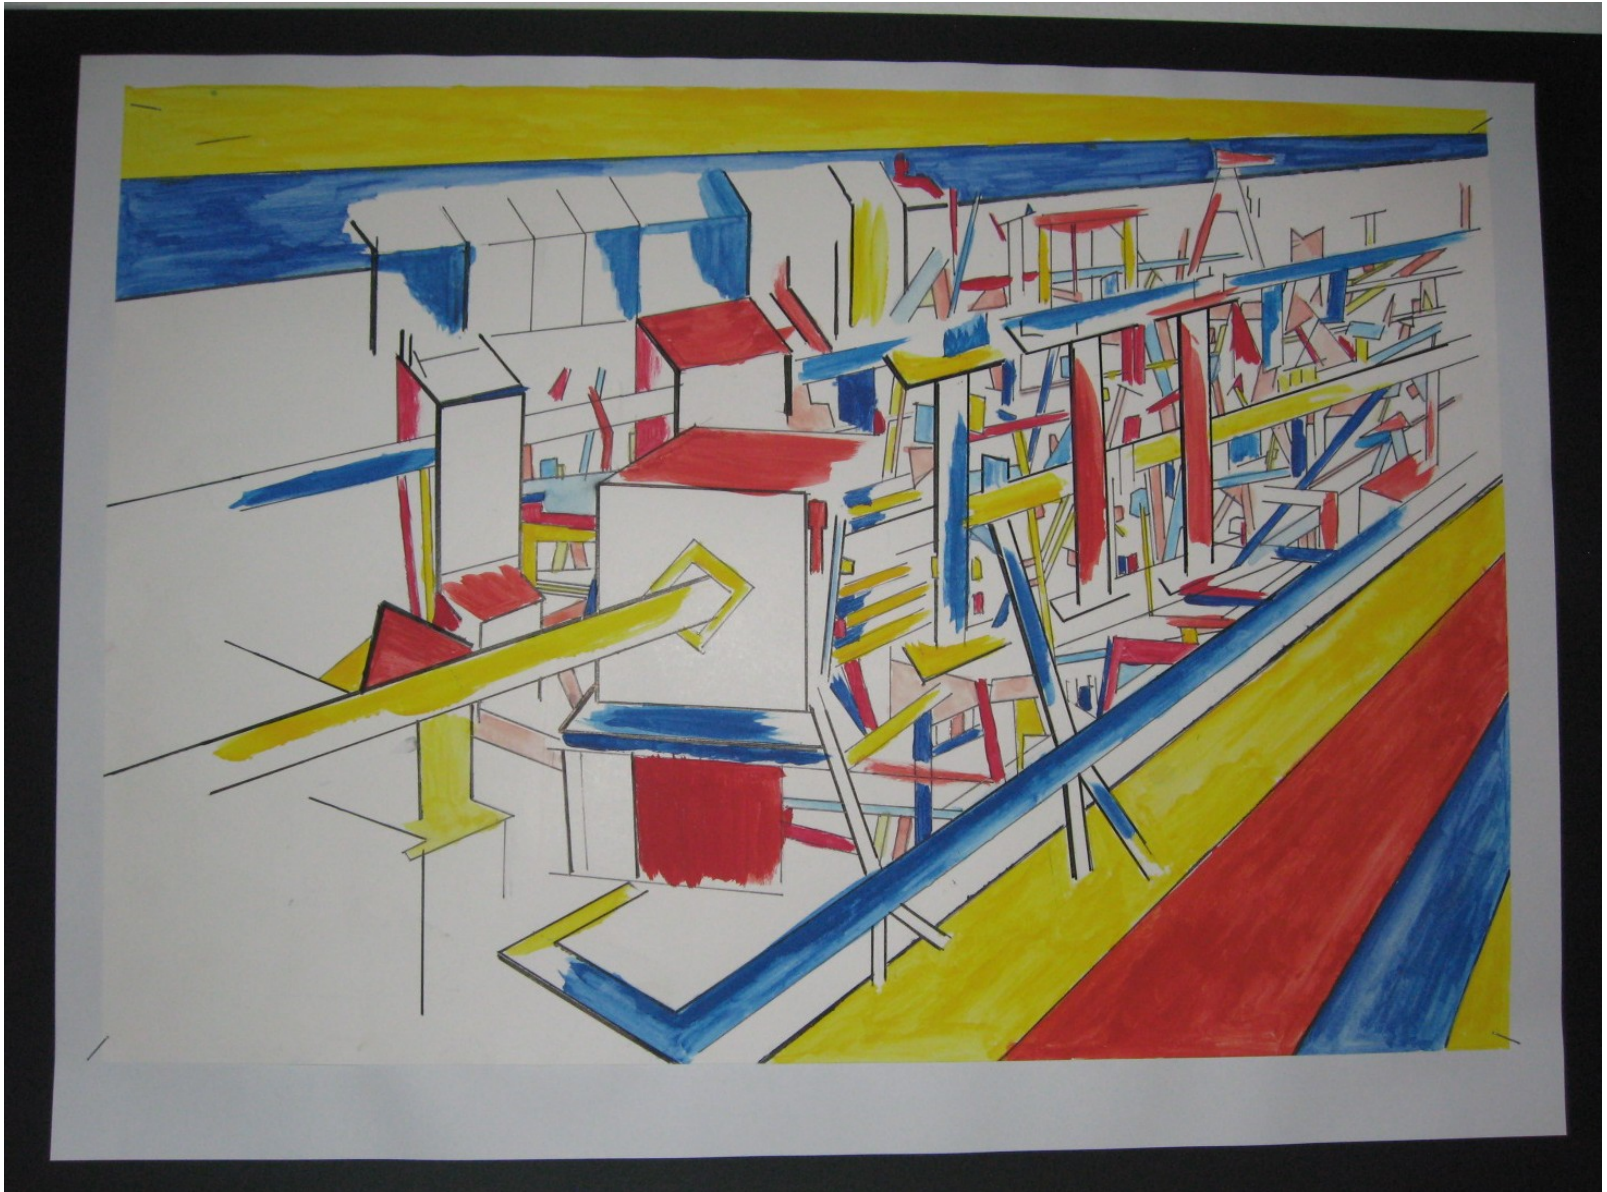

Apologies for the poor quality of some of the photographs.
Once a picture has been choose, it will be reworked by a graphics expert before
using it in the CDR

This doodle poll allows to determine the preferred choice by the physics/detector
participants. Modalities of how this choice is combined with the choice from the
accelerator experts is not yet known.
