

Session Program

14-18 Jun 2011

**PPC 2011: Vth INTERNATIONAL WORKSHOP
ON THE INTERCONNECTION BETWEEN
PARTICLE PHYSICS AND COSMOLOGY**

Modified gravity

CERN, 500/1-001 - Main Auditorium

Saturday 18 June

11:30

Modified gravity

Session | Location: CERN, 500/1-001 - Main Auditorium

11:30-12:00 **Progresses in modified gravity**

Speaker
Alberto Nicolis

12:00-12:30
UV-completion by classicalization and implications for particle physics and cosmology

Speaker
Georgi Dvali

12:30-13:00 **Quantum Gravity with Anisotropic Scaling**

Speaker
Petr Horava

13:00
