

Session Program

14-18 Jun 2011

**PPC 2011: Vth INTERNATIONAL WORKSHOP
ON THE INTERCONNECTION BETWEEN
PARTICLE PHYSICS AND COSMOLOGY**

Dark Matter indirect detection

CERN, 500/1-001 - Main Auditorium

Tuesday 14 June

11:30

Dark Matter indirect detection

Session | **Location:** CERN, 500/1-001 - Main Auditorium

11:30-12:00 **Dark Matter Indirect Detection: theory aspects**

Speaker

Pasquale Serpico

12:00-12:30 **Interpretation of FERMI's results (and other gamma ray experiments)**

Speaker

Michael Gustafsson

12:30-13:00 **Dark matter searches by charged cosmic rays detection in space**

Speaker

Roberta Sparvoli

13:00
