

NSF Update

- Submitted Collaborative Proposal to NSF Sept. 30, 2009 (IIT, Mississippi (subaward to Iowa), U.C. Riverside (subaward to U. of New Hampshire), U. of Chicago (new))
- Received funding recommendations on March 22:

<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>Total</u>
\$326k	\$386k plus	\$426k plus	\$1,138k plus

- Submitted budgets by April 15
- Received funding at end of August 2010, right after the MAP Review – grant started September 1, 2010
- This meant that U.C. Riverside was unfunded for five months, during MICE running.

Future

- Need to request more funding for U. of Chicago for Year 2 since they have more than met their commitment.
- Annual Report for Year 1 due June 2, 2011.
