

Spåtind 2023 - Nordic Conference on Particle Physics

Thursday 5 January 2023

Contributed Talks III (17:15 - 19:00)

-Conveners: Henning Kirschenmann

time	[id] title	presenter
17:15	[13] Inverse Compton emission from heavy WIMP annihilations in the Galactic Centre	DJUVSLAND, Julia Isabell
17:35	[23] Glueball Dark Matter revisited	PASECHNIK, Roman
17:55	[40] Use Artificial Intelligence to pinpoint Dark Matter at the LHC	SJURSEN, Therese
18:15	[39] Robustness and interpretability of machine learning models applied to LHC data	MAELAND, Steffen
18:35	[36] Implementation of XGBoost for a SUSY tau analysis	SLAZYK, Igor
