

## **Session Program**

**14-15 Dec 2022**

## **Swiss CTA Day 2022-2023**

### ***CTAO Computing***

University of Zürich, SOC-E-010

# Wednesday 14 December

15:50

## CTAO Computing: Swiss CTAO developments on Computing and Data Centre in Switzerland

**Session** | **Location:** University of Zürich Event room / SOC-E-010 | **Convener:** Domenico Della Volpe

### 15:50–16:10 CTAO Computing

#### Speakers

Stefan Schlenstedt, Dr Stefan Schlenstedt

### 16:10–16:30 The CTAO/SKAO Data Centre at CSCS

#### Speaker

Andrii Neronov

### 16:30–16:50

## The Swiss contribution in the Array Control and Data Acquisition software

#### Speaker

Etienne Lyard

### 16:50–17:05

## The Calibration Pipeline of the Data Processing and Preservation System of CTAO

#### Speaker

Dr Mykhailo Dalchenko

### 17:05–17:20

## The BDMS of the Data Pipelines and Preservation System of CTAO

#### Speaker

Syed Anwar Ul Hasan

### 17:20–17:40

## Software for telescope control and monitoring and impact in IACT projects

#### Speakers

Roland Walter, Dr Vitalii Sliusar

### 17:40–18:00

## Events reconstruction using Convolutional Neural Networks

#### Speaker

Etienne Lyard

18:00
