

ActiLab WP8 kick-off
meeting
FP7- ENSAR
Contribution GANIL

Participation in task 4

Online tests of actinide targets

- *Subtask 1: Impact of pulse time structure on release and ageing properties*
- *Subtask 2: Analysis of the results-effusion and diffusion phenomena*

Task 4

Participant number	GANIL-total	GANIL EU share
Estimated Person-months per participant:	8	8
Estimated Total PERSONNEL Costs including Overheads	30	30
Estimated Total TRAVEL Costs including Overheads	10	4
Estimated Total OTHER Costs including Overheads	36	4
Estimated TOTAL COSTS	76	38
Sum TOTAL COSTS for Task 4 of work package JRA02 = 245€		
Estimated requested EC budget (53 % of the total costs) = 129€		

- Participation in experiments at ISOLDE and IPNO
- Participation in planning of the experiments at ISOLDE and IPNO
- Participation in analysis of the experiments where we participated.
- Purchase of necessary materials for the experiments and the analysis.
- For the 8 monts of PostDoc we do not today have a candidate...
