

# HDR<sup>2</sup> From Harnessing the Data Revolution to Harvesting the Data Revolution

Contribution ID: 22

Type: **not specified**

## Scenario discussion

*Wednesday 26 October 2022 11:20 (20 minutes)*

Panelist:

Michelle Holko @Google

Divide audience into small groups, each of which discusses a scenario

- who controls the data?
- how do you handle the data?
- how do you communicate about the data?
- where are the data stored?

**Session Classification:** Education and Outreach - CARE & FAIR principles
